

LAKE VAN NORDEN

HISTORY OF A SIERRA JEWEL

A Van Norden scrapbook

Top Left, early 1950's along Old Highway 40 above Lake Van Norden, note the traffic on Old 40 on the right hand side of the picture.

Above, Lake Van Norden and Catfishermen about 1950.

Far left, tree stump in the valley, later in the season after the water had been flowing out.

Near left, Lake Van Norden in winter; Soda Springs Ski Hill in the background.

Lower far left, sheep in Summit Valley, after water has been flowing down the Yuba River all summer.

Left: woman above Lake Van Norden about 1950.

Below, T.C. Wohlbruck photograph about 1925

Photographs are from the Norm Sayler Collection at the Donner Summit Historical Society
